Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Pursuant to their duty under 37 C.F.R. 1.56 and 1.97, applicants wish to make the references cited on the accompanying form PTO-1449 of record herein. All citations were made of record in the parent application, Application No. 09/227,076, filed January 5, 1999. Accordingly, copies of these references are not attached with this Statement pursuant to 37 C.F.R. §1.98(d).

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Applicants submit herewith patents, publications or other information, of which they are aware that they believe may be material to the examination of this application, and in respect of which, there may be a duty to disclose.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.
